

BIRD DROPPINGS

December , 2007

Hello to all our members at Lady Bird:

✍ COURSE CONDITION

The course is in excellent condition, need I say more! The over-seeding has done very well this year. Many of you have come in and commented on how great the greens are.

At this time of year we will be having some frost delays in the morning. We must keep everyone off the course until the frost is gone because walking on the greens and driving on the fairways damages the grass. This also means all the practice greens and driving range. Thanks for your cooperation.

✍ PRO SHOP

We have some great merchandise in the pro shop for all your Christmas giving. Please don't forget about us when you are trying to decide on what to get that special golfer. Even if they are not golfers, we have some great shirts, windbreakers, jackets, caps and much more! One of the best gifts is our gift cards, don't forget about those!

Time is growing near to spend your gift certificate monies. Gift cert credit will expire on December 31st (not January 1st). Don't forget we can special order anything you need, but please have your order in by December 15th.

One more thing I would like to explain to you about your gift cards you are holding on to. After a year from issue date, the credit card company will take \$2.00 off per month. So when you come to spend it and the amount is not what

you thought it was, that is the reason. If you hold on to them for more than a year, you are loosing money.

NEW YEAR'S DAY TOURNAMENT

The saying goes "What you do on New Year's Day is what you will do the rest of the year". So come out and join us for a New Year's Day celebration. The format will be a 4-person shamble. You may pick your own team or we can place you on a team.

We will shotgun at 11:00AM. **The deadline for signing up will be Thursday, December 27th.**

We will serve Bloody Marys before the tournament kicks off and will have tamales, black-eyed peas and cornbread after play.

✍ FROM SHELLY'S NEST

Can you believe another year has passed so quickly? I can remember when I was very young, time seemed to drag by and I would complain to my mom about waiting on time. She would always say, "Wait until you get my age and you will see time flies by". Now I understand what she meant!

I want to caution you about leaving your car unlocked or leaving your clubs in the back of your truck while you are out here at the course. We have had two incidents now where things were stolen out of vehicles or trucks. Just be smart and lock everything up.

The annual dues are coming up the 1st of January! I know you hate that, but the good news is – no rate change! Don't forget to pay for your handicap at the same time you re-new your dues. It also has not changed!!! Yea!

It is almost Christmas, the trees are up at Lady Bird and our hearts are filled with Christmas cheer. This time of year reminds me of how very fortunate we all are. I want to thank all of you for your tremendous support this year. It has been a pleasure serving you. This is the time of year to let everyone know how much you really care, and I truly care about each and every one of you.

Merry Christmas and Happy New Year!!!
