

BIRD DROPPINGS

December, 2009

Merry Christmas to all our members at Lady Bird:

✍ COURSE CONDITIONS

The golf course is in great shape and the greens are awesome! Many of you have come in and commented on how great the greens are rolling.

We have not had really cold weather until this week, I think winter is here. At this time of year we may be having frost delays in the mornings. We must keep everyone off the course, driving range and practice areas because walking on the grass or driving on the grass will damage it. Thank all of you for your cooperation in this matter.

✍ **FROM SHELLY’S NEST**

The annual dues are coming up the 1st of January. I know you hate that, but the good news is – no rate increase at this time!!! Don’t forget to pay for your handicap at the same time you renew your membership dues.

This time of year reminds me of how very fortunate we all are. I want to thank all of you for all

your support this year. It has been a pleasure serving you. I wish each of you a Merry Christmas and a Happy New Year!

Till next year!!
