**January, 2010**

Happy New Year to all!!

**COURSE CONDITION**

Old Man Winter is here! Our fairways are dormant but still in great condition and our greens are really rolling nice. Roeder wanted me to ask all of you to please sand your divots. Even though the grass is not growing, it certainly makes our fairways look nicer when you don't see all those divots. I would like to remind you to fix your ball marks and one more on the greens!

## **FROM SHELLY'S NEST**

I want to wish all of you a Happy New Year! I hope 2010 will be a great year for all of us! I am sure all of you made your resolutions and I hope you all stick to them, especially if one of them was to play more golf!!

It is that time of year again when your annual memberships and handicaps come due. The memberships and handicaps are due no later than January 15<sup>th</sup>. They remain the same as last year. A single membership is \$550.00 and couples is \$850.00. The handicap dues are \$20.00 for the year. Just a reminder regarding your membership dues, you cannot use your gift cards or credit book money to pay your membership.

I would like to remind all of you to keep your carts on the cart paths when pulling up to the tee boxes and driving up to the greens. I have noticed all of us getting a little lax in this and just wanted to bring your attention to this.

Also, please let faster players play through. We have had several complaints of slower players or foursome not letting twosome, threesomes or faster players play through. It certainly makes a round more pleasant for everyone concerned. Be courteous while playing the game of golf. Everyone that comes out is looking to have a great day, so please consider your fellow golfers and make it enjoyable for everyone.

I would like to inform all of you that we can no longer do cash advances on your credit or debit cards. It seems that everyone is using credit cards more and more and when we have events that we need to pay cash out for closest to the pin, skins or other prizes we do not have enough cash. During MGA for SSMGA events we are asking you to pay your closest to the pin and skins in cash. This would certainly make it easier for us when getting your monies to you.

Also, when paying your MGA dues this year, you need to pay this directly to the MGA Secretary/Treasurer, Lee Bodenhammer or in the first tournament you play in for the new year give it to the person that is in charge for that day's event. We are not collecting the MGA dues at the counter this year, just the handicap dues.

We have a great year planned for MGA, SSMGA and LGA. If you are interested in joining any of these organizations, please call the pro shop and we can give you the information.

I have had some requests to have a rule's corner in our Bird Droppings. I do intend to do that starting next month. I hope you will enjoy that.

Good luck and prosperity for 2010!
