

BIRD DROPPINGS

July, 2009

Hello to all our members at Lady Bird:

COURSE CONDITIONS

Despite having no rain in the past month, our members and guests that have played here before tell me the course is in the best shape they have ever seen it! The fairways are lush and the greens are rolling well.

Roeder and his maintenance crew got our new hole markers in place this past week. Don't they look beautiful!!! So many of you have come in and said they really like them and it definitely kicks our golf course up a notch!

FROM SHELLY'S NEST

This Saturday is July 4th and the City puts on a spectacular fireworks show for the public at Lady Bird Johnson Park. It is really amazing how many people come out to enjoy this event. As part of safety issues, we must have the bridge coming across to the golf course closed by 8:00pm. If you are not participating in the nite golf tournament, we ask that you be off the course and across the bridge by that time.

For all of you who are playing in the nite tournament, we tee off at 6:30pm. After the first 9 we will stop and eat burgers and get our night supplies ready and tee off around 9:30/9:45pm. Don't forget to bring your flashlights!!!

The Friends of Lady Bird will hold its first general membership meeting on Thursday July 30th at 7:00pm in the Cardinal Room. The purpose of the meeting is to update all members and prospective members on what FOLB has been doing and to elect the Board of Directors and Officers. Golfers and non-golfers are invited to join FOLB and to participate in this first election. The membership fee is \$20.00. The pro shop also has applications at the desk for anyone who is interested in joining.

The FOLB has agreed to be our sounding board for complaints regarding our entire facility. If you should have complaints or concerns, please contact the Friends of Lady Bird.

Till next month,

Shelly Ross
