

## **BIRD DROPPINGS**

### **November, 2008**

Hello to all our members at Lady Bird:

#### **✍ COURSE CONDITION**

The over-seeding of the greens and tee boxes was completed last month. The course is doing well and recovering very nicely from the over-seeding. We want to thank all of you for being so patient during this process.

We still need rain!!! I don't know what kind of winter we have in store, but we sure could use some moisture. Some weather men say it will be warmer than usual and others say it will be unusually cold. Go figure!!!

#### **✍ UPCOMING EVENTS**

Richard Welch

**BIRD'S EYE VIEW**

October 9<sup>th</sup>

Charles Thomas from Houston had a hole-in-one on #13 while playing Lady Bird. He used a 9-iron.

**FROM SHELLY'S NEST**

As all of you know by now the time changed on Saturday, November 2<sup>nd</sup>. That means our pro shop hours have also changed. We will open from 6:30AM until 6:00PM. Our tee sheet will open each morning for tee times at 7:00AM (except for Monday's).

My staff keeps the sand bottles full on all the carts so that when you make a divot you will repair it. We have noticed a lot of divots lately and would like to remind you to

please sand your divots. Or if you happen to see a divot someone else made, you might put some sand on it. We all want to play on good conditions and this is one way we all can help. Another way is repairing your ball marks on the greens! Anything we can do is always appreciated.

My staff and I want to wish each of you a Happy Thanksgiving. May you all be blessed with great food, family and friends surrounding you.

Till next month,

Shelly  
Head Professional
